Simout_Q1A

Simulation

04:30 PM Elapsed: 1 sec

Simulation  1

04:32 PM Elapsed: 0.175 sec

An error occurred while running the simulation and the simulation was terminated

Caused by:

- State derivatives returned by S-function 'myfunc1' in '[Simout_Q1A/S-Function](#)' during flag=1 call must be a real vector of length 1

Component: Simulink | Category: Block error
